Report on Christian Education to the 1961 Session of the Neuse Association

It has been said, "Wisdom is ever a blessing; but education can sometimes be a curse." The proof of that statement is very present in our world today. Atheistic Communism promises "to bury us," but to achieve their purpose they must educate the minds of their followers with the social sciences, technological knowledge, and other arts and sciences; at the same time starve the minds and souls of men by leaving (so they declare) no place for God. Hitler fanatically tried to indoctrinate the minds of his people with his doctrine of a super race. He made a desperate effort to substitute his **Mien Kamph** for the Bible. He failed. So will the communists. But the Christians, through their denominationally supported colleges believe in education that begins where all true knowledge should; namely; with God. One of our great college presidents was asked what was Christian Education. He replied, "Here we teach the sam subjects as all other institutions, but there is a difference. We put God as the first cause; thus we believe Christian Education is education plus God." Baptists have always believed in education. But nay system of teaching fails in its true meaning until it recognizes that to achieve its real purpose in trying to aid man to reach the highest and best it must put God first. As a denomination we must keep the lamp of truth shining and bright in this world, a world that has been dealt a staggering blow by the champions of an atheistic philosophy of life. If our Christian schools are to succeed, we must not only train our religious leaders but we must train our leaders in the civil and business realm as well.

In a speech on Baptists and religious liberty the late Dr. Truett had this to say: "The one transcending inspiring influence in civilization is the Christian religion. By all means, let the teachers and trustees and student bodies of all our Christian schools remember this supremely important fact, that civilization without Christianity is doomed. Let there be no pagan ideals in our Christian schools, and no hesitation or apology for the insistence that the one hope for the individual, the only hope for society, for civilization, is in the Christian religion. If ever the drum beat of duty sounded clearly, it is calling to us now to strengthen and magnify our Christian schools."

There are those who boastfully proclaim that in this new scientific age there is no place for religion or God. They would have us believe that the philosophy of Darwin and Freud is the final answer. Such teaching con only lead us into the wilderness of confusion and despair. An institution or person that "dare come between the soul and God is blasphemous impertinence and a defamation of the crown rights of the Son of God."

North Carolina Baptists promote Christian Education through their seven Baptist colleges; the two senior colleges Wake Forest and Meredith, two junior colleges now in rtansition to senior colleges Mars Hill and Campbell, and three junior colleges Gardner--Webb, Wingate and Chowan. More than $1,200,000.00 from our Cooperative Program funds go to the support of these schools. All churches are being urged to increase Cooperative Program gifts in order that a larger amount may be available for our colleges. Through these colleges we have our opportunity to promote Christian Education at its best.

C. E. RUFFIN

The Rev. Joseph O. Stroud, Secretary of the Department of Music delivered an address on the topic: "Christian Education Advance," after he took a few minutes to speak of the importance of music in worship. He stated the home base was the most important, the second was the church the third was our college program supported by an improved Christian Education advance through cooperative giving."

The Associational Choir led by Mr. Stroud sang, " For the Beauty of the Earth."

7. The messengers sang the hymn: "When I Survey the Wondrous Cross."

8. The W. M. U. report was given by Mrs. Fred Harrell who retired as W. M. U. President. It was adopted as read.

Womans Missionary Union Report 1960-61

Womans Missionary Union, Auxiliary to Southern Baptist Convention is composed of members of Womans Missionary Society, Young Womans Auxiliary, Girls Auxiliary and Sunbeams, from the Convention churches.

WMU achieves its purpose of enlisting and educating for missions through a program of work, centering in the church, promoting Mission Study, Prayer, Stewardship and Community Missions.

Neuse Associational WMU has attempted to help all churches to promote world missions as well as local missions through virile organizations, studying **about**, praying **for** and giving **to** these causes.

Through our Associational Leadership Conferences and special classes, and through promoting attendance at state and regional assemblies as well as Asso., we feel that our Association has grown in interest and support of missions.

The statistical report gathered from those reporting September 30 is as follows: WMS 32; YWA 5; GA 36; Sunbeams 45, making a total membership of 2035. 1688 of these members gave regularly through the cooperative program and 493 were reported as tithing. Magazine subscriptions, 827, and 96 Mission Study classes were held.

Special gifts: Lottie Moon Offering for Foreign Missions $8,047.91, and Annie Armstrong Offering for Home Missions, $3052.03.

Our work is far from finished. 2 of our 34 churches and missions have no missionary organization, and 9 churches have no organized work for young people and children.

We are not discouraged, but challenged by this report.

You the ministers and the church members have given us wonderful support during my eleven years of service, and progress that has been was due in large measure to united efforts of many people. The new president is depending upon your continued interest and prayers as we all together endeavor to follow our watchword for the year, "That Thy way may be known upon earth, Thy saving health among all nations." Psalm 67:2.

Then Mrs. Harrell introduced the speaker, the Rev. Dr. Luther Copeland, a former Missionary to Japan now Professor at Southeastern Seminary at Wake Forest. Dr. Copeland spoke on the subject, "The Challenges of Christian World Missions," These were: Population Explosion, Resergance of other world of non-Christian religions and new nationalism". We need to understand our faith to meet the challenge of all with a realistic conviction of our faith in an uncompromising Lord. "We need the faith that demand of us our best if we meet the challenge—like the faith of the Early Christian Church".

9. After the singing of the hymn, "Christ for the Whole Wide World" the Moderator announced the following committees:

The committee on Place and Preacher: Roy Beals, Chairman, T. C. Johnson and W. A. Catlett.

The meeting was adjourned by prayer to meet at New Hope Baptist Church at 10 a. m. on Thursday, November 9, 1961.

The Second Session of the Neuse Baptist Association was called to order by the Moderator, Dr. W. C. Reed at 10 A. M., November 9, 1961 at New Hope Baptist Church, Pink Hill Road, Kinston, N. C.

10. The scripture Colossians 3 was read by the Host Pastor, The Rev. Dwight W. Early and lead in prayer.

11. The welcome was given by Mrs. Mae Carol Hill.

"On this cool crisp November day
would you pust allow me to say,
A few words of sincere warm greeting,
To each of you, attending this meeting.
We are so happy to have you here
At this church called New Hope.
May you feel Christ's presence near
As with His business, we cope.
May you feel the touch of His Spirit
And the warmth of the smile on His face
And when you have gone
May these be the memories you hold **of this place.**

Mr. Leonard Loftis sang, "I Walked Today Where Jesus Walked."

11. The report of the Executive Committee was read by the Clerk, Rev. H. Arthur Dechent as follows:

Plans for camps for boys and girls 9-13 was set for July 31-August 4, or August 8th-13th tentatively.

The September meeting heard Mr. O. J. Hagler, present the needs of the Christian Education Program for our colleges. If the churches of the Neuse would consider a 35% increase in their offering to Christian Education this year and in 1962, 1963 this would enable the Association to do its part in helping to meet in part the program adopted at the special session of the North Carolina Baptist Convention in May.

The committee accepted with regrets the resignation of Barry Lovett as Pastor of Neuse Chapel; and the resignation of Millard Crumpler from the Brotherhood, Pastor's representative, as he was accepting a call to preach in Raleigh area.

The February payment of the 2nd payment on the note to the American Bank on the Neuse Baptist Chapel property will be $2683.00. It was mentioned that we could not expect anymore help from the State Mission Board. This means we must raise it, Last January we only raised a little over $400.

People must have the Bible because it presents Jesus Christ, the one hope of men and nations.

Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

The American Bible Society seeks to do just this for all people through your support.

Dr. McGee reported one of the rooms of the new 80 in the Progressive Care Wing was named for the Neuse Association. A Pastor's Library in the Medical School was started. The report was adopted.

17. The represenattve of the Children's Home made the following report which was adopted.

Report to the Associations Baptist Children's Homes 1961

The Baptist Children's Homes of North Carolina is a Christian agency providing love and care for more than 800 deserving boys and girls annually. These are dependent and neglected children who, for some reason, have found it necessary to live away from their homes.

Your child care ministry is child centered, Christ centered and church centered. It is based on the redemptive plan of God. These children have lost their parents through a number of ways. Workers use all the skills available, plus the help of God, to establish in these children trust in adults, trust in self and trust in God.

It became necessary during the past year to reduce the number of children in Foster Home care by 35 boys and girls. At one time we were caring for 162 children in Foster Homes. Ne now have 125. This trend can be changed only as we have additional income. Many types of service to children in need are being delayed for lack of money.

Our financial support for this year has come from the following sources.

Thanksgiving Offering	33 per cent
Cooperative Program	32 per cent
Once a Month Offerings	18 per cent
Special Gifts and Endowment	17 per cent

Members of the Board of Trustees, members of the staff and our boys and girls wish to thank you for your generous support. You have given these children love, food, clothing, shelter, schooling, medical care, recreation, guidance, music and hundreds of other benefits.

One third of our support comes at Thanksgiving time. The Thanksgiving offering goal for 1961 is $400,000.00. Help this to become a reality!

Mr. W. A. Smith introduced Dr. W. R. Wagoner, Superintendent of the Children's Home of N. C. Baptist who spoke to the Report.

If we plan to minister to as many children as we can we shall need $400,000 in our Thanksgiving Offering. We hope that Neuse Baptist will continue their generous support."

18. The report for the Home for the Aging was read by the Clerk in the absence of Rev. Forrest T. Jones who was sick. It was recommended it be printed in the minutes, and adopted as submitted.

Report on Homes for the Aging to the Neuse Baptist Association 1961

As time passes a larger percentage of our population reaches an advanced age. These older people may find it necssary to adapt themselves to a slower pace. They need especially to know that they are not cast aside and forgotten. It would be a great help for them to understand there is yet something they can do. Our churches minister to these thru the Extension Department. These are contacted at regular intervals by visitors who take them literature and keep in touch with their church, these visitors bring friendship comfort and cheer. Some of these are yet able to live in their own homes, others may find a place in the homes of their kindred while others may find a place in convalescent or rest homes. To help meet this need Baptists of North Carolina have established Rest Homes at Resthaven and Hayes Home in Winston-Salem and the Albemarle Home in Albemarle.

There are 125 residents in these homes and as many are on the waiting list. Another unit—The Hamilton in Martin County—may be ready for use by the first of 1962, also a duplex apartment in Winston-Salem may be ready in the fall. These Rest Homes are looking to the Baptists of North Carolina for their support. The fourth Sunday in each February has been set aside to take special offerings for this purpose. Often special gifts are made by individuals or churches. The residents of these Homes ned our attetion, our help and our prayers. A hearty welcome is in store for all who can visit and see at first hand the things of great Christian significance that are being experienced daily in our Homes and that can never adequately be described on the printed page.

Forrest Thomas Jones

The Rev. Maynard H. Mangum of Southern Pines, in the absence of Rev. William Pool, Superintendent of the Home for the Aging spoke to this report.

19. The next order of business was the annual Sermon. The Rev. R. E. Whitley, alternate, read the Scripture, Luke 23-22.

The hymn, "When I Survey the Wondrous Cross" said Rev. Roy Beals suggest the topic for the sermon, "Christ Crucified to Your Minds and Hearts."

The meeting was adjourned by prayer and the messengers were served a barbecue dinner by the friends of the New Hope and Sandy Bottom Churches.

The Second Session Afternoon Meeting 1:30 P. M.

20. The scripture and prayer was did by the Rev. C. H. Trueblood who read from Matthew and Luke.

21. The report on Evangelism was given by the Chairman the Rev. Roy Beals. The report of the churches revealed a growth of 737 in membership. 421 by baptism and 573 by letter. The report as printed was adopted.

These are tremendous days in which we live. Billions are being spent for getting men to the moon, while comparatively little is spent for getting men to God. Multitudes sit in darkness and many in despair while the forces of darkness move constantly in a dedicated abandon toward their objectives. The number of hopeless people—hopeless because they do not know Christ—grows daily. The world's population is increasing by 48,0000,000 per year. All religions are winning only 10,000,000 per year.

Many of these lost people live in the territory of our association. They live near our churches. In regard to their need for God. they have been deluded by the powers of darkness, and numbers of them disillusioned by the apathy and lack of dedication to Christ on the part of professed Christians. In this desperate day God's people must wake up to the fact that "business as usual" will not suffice. Surely this is the time for total dedication to Christ in His purpose of winning the multitudes to God.

To move forward we must start from where we are. Our association is the best launching place for new frontiers in evangelism and missions.
Therefore, we recommend:

1. That we encourage ourselves in the Lord our God for the resurging interest in evangelism across our Convention, continuously praying that God may work in us and through us to bring the revival we need.

2. That our association participate in the "Baptist Jubilee Revivals" in 1962 through 1964. Our dates are as follows: For all the Churches who can work it into their schedule.

1962, April 1-15
1963, March 31-April 14
1964, March 29-April 12

3. That each church prayerfully and studiously consider participating in the Baptist Jubilee Revival, and that special emphasis in all revivals and week by week evangelism throughout the year be placed upon personal, face-to-face, heart-to-heart soul-winning and faithful teaching and preaching of the Gospel.

4. That all churches make full use of the Revival Plan Book for 1962, 1964, supplied free to all pastors by the Division of Evangelism, Baptist State Convention. Reprints of portions of the book are available for members of the church councils.

5. That our associations have an Evangelistm Clinic following the suggested program supplied by the Division of Evangelism. The date for our next Clinic is February 9, 1962, at Madison Avenue Baptist Church.

6. That our association recognize the elected associational officers as the evangelism committee,, the Chairman of Evangelism to be the Chairman of this committee, and that we pledge our wholehearted cooperation to this committee.

7. That our association send the Chairman of Evangelism to Ridgecrest for the annual conference on Evangelism during Home Mission Week.

8. That we commit ourselves to the following outline of achievement for 1962:

I. CHAIRMAN OF EVANGELISM—An evangelistic pastor elected to serve during associational year. Promotes perennial soul-winning in all churches. Serves as Chairman of Baptist Jubilee Revival committee and Chairman of Evangelism Committee, which is composed of associational officers.

II. ASSOCIATIONAL EVANGELISM CLINIC—Annual clinic devoting two sessions exclusively to evangelism. Seventy-five percent of churches represented by pastors. Seventy-five percent of churches with at least three members of their church councils present.

III. ANNUAL BAPTIST JUBILEE REVIVAL—Eighty percent of churches participating. Eighty percent of churches observing same dates. Eigthy percent of churches with two consecutive weeks of evangelistic preaching.

IV. ALL CHURCHES CONDUCTING REVIVALS—Each church conducting a minimum of one revival annually. Fifty percent of churches conducting two revivals annually. Churches sponsoring missions revival where needed.

V. EACH CHURCH WINNING AND BAPTIZING NEW MEMBERS —Churches endeavoring to increase previous year's baptismal record. Seventy-five percent of churches using the church council. Churches sustaining perennial evangelism and perennial spiritual growth programs.

Respectfully submitted.

22. The Associational Sunday School Report was made by the Superintendent Rev. C. D. McCullough. The report was adopted as read.

Sunday School Department Annual Report to the Association

Rev. Douglas McCullough, Associatioal Superintendent
November 9, 1961

The Associational Superintendent wishes to take this opportunity to thank the Associational organization for the privilege of serving this past year as the Superintendent, and also for the continued privilege of serving for the coming year. Some progress has been made in the past year in our Sunday School Department, and we are looking to even greater progress in the coming year. It is with a great deal of pleasure that I look to working with our Missionary, the Associational Sunday School workers, and the Sunday School Superintendents of the various churches. This department is open at all times to helpful suggestions for its improvement.

As of this time there are 31 churches and 4 missions in our Association, making a total of 35 schools. The grand total Sunday School enrollment for the past year was 8699. The total enrollment in the Vacation Bible Schools was 3508. There were 35 churches and missions observing Bible Study Week, and observing Preparation Week.

The theme for the 1961-62 Sunday School year will be: "OUTREACH FOR THE UNREACHED—SPEARHEAD FOR ADVANCE".

The Sunday School Rallies for the coming year, place, time, and emphasis are as follows: January 28, '62 at Falling Creek Church with conferences on "Teaching Helps"; April 29, '62 at Deep Run Church with a message on "Building Better Homes" by Rev. William Murdock of Brookside Mission, Goldsboro; July 29, '62 at Madison Avenue Church with conferences on "Space and Equipment"; October 28, '62 at Immanuel Church with a message on Evangelism by Rev. Roy Beals of Madison Avenue Church, Goldsboro.

It is recommended that we use the Associational Guide in determining the Standards of our Sunday Schools.

The Associational Vacation Bible School Clinic will be held on Thursday, April 12, 1962 at the First Baptist Church, Goldsboro. A one-night meeting for the Associational Sunday School Officers will be held on Thursday, September 4, 1962 at the home of H. R. Starling, Goldsboro.

The report was adopted.

24. The Associational Music Report was adopted as read.

Associational Music Report

The Neuse Association sponsored an associational school of music at the First Baptist Church in Goldsboro, N. C. the week of October 31-November 3. The total enrollment for teh week was 130.

J. O. Stroud, State Music Secretary, assisted in the school, teaching the course, Music in Worship, and conducting the choir.

Five classes were offered for the week. Joe Stroud led the class, Music In Worship; Mrs. Robert Piner, Minister of Music, First Baptist, Goldsboro, conducted the class in "You Can Read Music", a practical course in music theiry and sight-reading; Mrs. Morris Hill, First Baptist, Kinston, taught the class, The Beginning Vocalist; Miss Katherine Rumfelt taught the piano class entitled "Hymn Accompanying"; Herbert Joyner, Minister of Music, First Baptist, Kinston, taught an organ class for organists and those interested in organ.

The week was very successful and all expressed a desire to have a similar school next year.

We appreciated the help and time each of these people gave to help make this school a success. Without their support and giving of their time and talent, this school would not have been possible.

Herbert Joyner
Assoc. Music Director

25. The Brotherhood's Report—No report in absence of the Chairman—to be printed when received.

Brotherhood Report

At the beginning of the 1960-61 year our State Brotherhood outlined a whole new program of work for us. We elected our slate of officers and each one of them attended a Regional workshop in Greenville, they were traind for their respective office and returned to the Neuse Association to hold our own workshop. There were approximately 70 men who participated in this training. Our efforts were rewarded with 3 new Brotherhoods organized, bringing our total to 15 Brotherhoods.

We have held regular planning meetings and quarterly Associational meetings, one of these included an R. A. Brotherhood night at which time each man was to bring a boy to be his guest for supper. It was inspiring to have such a good attendance, there were approximately 75 present.

As we look forward to 1962 with much enthusiasm, we hope each Church in the Association will also join us. We pray that each layman will join our Associational Officers in helping to lead men in a more active program.

Respectfully submitted,
J. R. Mewborn, Brotherhood President.

29. The Association Mission Committee's report was incorporated in the Executive Committee's Report.

30. The Associational Missionary's Report by Rev. H. R. Starling, was adopted as read.

We have come a long way in the Neuse Baptist Association in the last eight years but there remains much to be done in reaching and enlisting the un-reached in our area. And that is our task.

A brief review has turned up these encouraging facts. In 1953 we had 25 Sunday Schools with an enrollment of 5,000 and today we have 34 Sunday Schools with an enrollment of well over 8,000. In 1935 we had 5,589 church members; today we have 8,462 plus those additions of this year recorded in the letters. The Training Union, the Brotherhood, and the W. M. U. organizations have made comparable gains.

However, we could very well say as some one did say about the lad's lunch, "But what are these among so many?" As we have been enlisting these gains, twice this number have moved into our area and become our responsibility.

We have put our hands to this task and we cannot turn back; yea, we would not turn back for the field is truly white unto harvest. We will take the Missionary Hymn; "Christ For The Whole Wide World," and make it our battle song and sing it in unison: "We will give, we will pray, we will witness every day, that the millions of the whole wide world may know our Saviour's love."

Lead on O King ternal and help us to follow with dedication of money, time and talent and continue to see what God will do with and through us.

Our strong churches need to be made stronger; our weak ones need to be made strong and the unreached places ned our help.

This can be realized only as we continue to work together as one mighty force for Christ.

Respectfully,
H. R. Starling, Assn. Missionary

The following visitors were recognized: Dr. L. H. Hollingsworth Wake Forest College, Dr. Lowell Spivey, Raleigh and Mr. Gordon Maddry of Raleigh.

The following Committees were already appointed and acting during interim of the Annual Sessions: Nominating Committee for Committee on Committees, Committee to recommend changes on the Constitution and other which are called for by the Constitution.

6. According to the Constitution: the following recommended changes in the Constitution were read for the first time:

Article III. Membership.

Section 3. New churches seeking to seat messengers in the Association must make written application to the Missions Committee not later than one month prior to the last meeting of the Executive Committee prior to the Annual meeting of the Association, giving evidence of their faith and order, and their agreement to cooperate in the general program of the Association, the Baptist Convention of North Carolina, and the Southern Baptist Convention. The Missions Committee shall study applications and make recommendations to the Executive Committee regarding same; and, in turn, the Executive Committee shall make its recommendations to the annual meeting of the Association for its action.

Article VIII Committees and Duties.

Section 2, paragraph (3) The Missions Committee

Make the last sentence read: It shall be the duty of Missions Committee to study the applications of churches seeking to seat messengers in the Association as to evidence of their faith and order, and their agreement to cooperate in the general program of the Association, the Baptist Convention of North Carolina, and the Southern Baptist Convention. The Committee shall then make recommendations to the Executive Committee regarding same.

Article IV—Meetings.

Section 1. The Association shall convene annually on the second Wednesday night and following Thursday in October, and . . .

The motion to be received as read on first reading was made by Rev. Gilmer Cross, received a second, and was approved.

7. The Assembled messengers sang "Must Jesus Bear the Cross Alone?"

8. The Book of Reports of the Various Committee and Representatives, was given out to all messengers.

9. The Theme of the Association, The Church in the Present Crisis" was used in the opening session as seen in the report of the Committee on Christian Education, made by the Rev. Gordon Conklin.

"Remembering the special session of the North Carolina Baptist Convention in Greensboro in 1959 where action was recommended that we support the needs of our Colleges;
Remembering that is recommended that in the years of 1962, 1963, 1964 we seek to increase our Cooperative Program Giving 35% each year, and that all undesignated gifts above the Convention needs be divided 85% for the Colleges and 15% for the Baptist Student Union needs;
Remembering the importance of all of Colleges in Christian Education the following recommendations were made:

1. That each church, after prayer, let the people of the congregation vote on increasing their Cooperative Program giving by 35% over what they are giving this present year.

2. That those churches which honestly feel that they are financially unable to give this percentage increase, accept the goal of giving two more cents out of every collection plate dollar through the Cooperative Program.

3. That all churches consider giving at least 10c out of every collection plate dollar received in the treasury of the Church each week through the Cooperative Program.

4. If a Church cannot do any of the above, they at least try to give an offering once a month through the Cooperative Mission Program.

The motion to adopt was made by Rev. Conklin, duly received a second and was passed.

10. The Woman's Missionary Union Report was made by Mrs. T. G. Johnson, of Spilman Memorial Church: Mrs. Johnson reported that the Lottie Moon Offering increased by $900.00 but not the 14% increase we had hoped. The Annie Armstrong Offering this year not only increased the 14% planned for but the 15% increased goal set for 1963. It is the belief that the "Week of Prayer" was the reason for the increase. Mrs. Johnson, who had the opportunity to visit some of the Mission field in South America reminded all that The Love Gift of the Lottie Moon Christmas Offering was most important. We hope all members of W. M. U. and the Church will bring a most generous offering this Christmas Season for Foreign Missions. It is hoped that in the coming year to have an increase in units for all organizations. All leaders are invited to the Leadership Training Study at LaGrange.
The report was adopted as read.

11. Mr. Gordon Maddry, Secretary of the Baptist Foundation, gave a brief explanation of the Foundation and its effort to help the Baptist of North Carolina to make their investments count for the cause of Christ. It was founded in 1919 but until 1962 it did not begin to grow. Mr. Maddry was appointed Secretary in July of this year. The Service of this Agency is:

a. To take care of Stocks and Bonds and to see that they get the best profits from their investments and to see that they go to the designated objects from then on.

b. To receive stocks and see that the interest goes to set up a fund to care for E. I. Cemetary care and etc.

c. To receive investments and to see that the interest of investments be paid to designated Missions programs from now on. If any member of the Church is interested in the help of the Foundation it will be glad to assist you upon request.

12. Dr. L. H. Hollingworth of Wake Forest College spoke to the Messengers on Wake Forest College and its efforts to arrive at a Christian solution to the problems that face the college and the Convention. He asked for prayerful concern for the college.

13. The Evening address by Dr. E. L. Spivey of State Missions was on the subject of The Importance of Stewardship of the Individual in relation to the Outreach of the Cause of Christ. "Christian Stewardship is related to every part of human life; Worship and Giving are inseparable as the human body and soul, and Commitment to Tithe is as related to Commitment to Christ." If we fail to do what we know, we will fail our day as others did theirs.

14. The hymn. "To God Be The Glory" was sung and the session was dismissed by prayer led by The Rev. E. C. Wilkie.

20. The Report of the Executive Committee was read and approved but by vote of the messengers it was suggested that it be briefly summerized.

The W. M. U. gave a love offering to Associational Mission in the amount of $55.65 which was applied to the indebtedness of Neuse Property. The Rev. George Turner was called as Pastor of Neuse Chapel. The Neuse Baptist Chapel building was dedicated and made a great impression on those from the Churches who attended.

There were several recommended changes to the Constitution which were approved and will be submitted to the Annual Session by a Committee.

Pineview Baptist Church made application to seat messengers at the Annual Session and was assisted by the Missions Committee in preparing their written application. It was approved.

The Missionary, Rev. H. R. Starling is seeking back copies of the Association Minutes: 1932, 1933, 1944 and 1946.

Report of The Mission's Committee

The work of the Mission's Committee is conducted in accordance with the Constitution of the Association.

During the past year, your committee has worked in a general supervisory capacity with the Association's Missionary, and the Neuse Baptist Chapel which is the Misson of the Assocaton.

Application from seven churches for pastoral aid have been reviewed and approved in the amount of $6,570.00; three applications for aid on the purchase of building lots have been received and approved in the amount of $3,900.00. Counting the pastoral aid and the lot aid and the aid on our Missionary's salary we are receiving from our State Mission Board an aggregate of $11,550.00. The Mission Board of our Convention has been most generous with our Association through the years, and we pray for the day when we shall return to the Mission Board annual offerings equal to the aid received by our Churches.

6. The Report of the Southern Baptist Protection plan was iscussed by The Rev. Guy S. Cain, Secretary of the Retirement lans of Raleigh, in the absence of Associational Representa- ve, Mr. George E. Bain. Mr. Cain commended the number of ie Churches to make provisions for their Pastors in a Retire- ient Program, A Disability and Death Benefit Program for the Vidows of their Ministers.

7. The Report of Christian Education was given by th Rev. E. Gordon Conklin. The Reports were approved as attache Dr. John Bunn of Campbell College spoke to the Report on th importance of Baptist meeting the needs of their Colleges no or face the possibilities of losing them in the next 20 years.

Report of the Committee On Christian Education

There have been several developments within the field of Christian Educa tion which hold an element of interest for North Carolina Baptists. The first i that Campbell College graduated its first senior class the second is that Mar Hill will be graduating its first senior class in the spring of 1964.

These advances, plus many others, continue to be made possible through th gifts of the local churches through the Cooperative Program. A program whic shall benefit the colleges for many years to come. During this year we hav become impressed with the fact that the denominational college plays a vita role in its production of Christian Leadership, not alone in church relate vocations, but also in vital leadership through laymen who are serving i many capacities in local churches.

At the present time there seem to be four great challenges for Christia Higher Education.

1. The challenge presented by the plight of modern youth who are de perately trying to find the meaning of existence in a world which elders did n know, a world teetering on the brink of atomic destruction on one hand an staggering under the burden of military training on the other.

2. The challenge of Christian leadership in a world which for the pa several years has watched an alarming decline in the number of men an women committing themselves to the Christian vocation.

3. The challenge of liberty and individual freedom and dignity in a wor which has witnessed a dehumanization of man on every level.

4. The challenge of a culture which has radically changed from Christia to non-Christian in practice and world view.

5. The challenge of high academic standards and competent teaching.

8. The Report of The Associational Missionary, The Re H. R. Starling:

Ten years ago, you good people making up the Neuse Baptist Associatio saw great opportunities for growth in the Lord's work here. During this perio of time much has been done but much more remains to be done because th population of our area has mushroomed to unexpected porportions.

The Madison Ave. Baptist Church, Goldsboro, N. C. was organized Janua 1st, 1953, then the Trinity Church, Goldsboro, Rt. 3, was organized and then th spring this church the Deep Run Church was organized. Then the Immanu Church was organized in Kinston and then the Rivermont Church and the

ıe Adamsville Baptist Church in Goldsboro and then the Pineview Church. dded to these churches were three missions Sunday Schools,—the Brookside hapel in Goldsboro, the Calvary Chapel and the Neuse Chapel both in Kinston. ll in all the work has moved on quite encouragingly.

But the work is not by any means done as these figures will show us. During ıe last ten years the population of our association has grown tremendously. ayne County has grown in population 17,802. Lenior County has increased 323. I fear that we Baptist, the Free Will Baptist, the Methodist and the ampbelite Denomination have not reached and enlisted 10,000 of the 27,125 new eople who have moved into our associational area. So we see our responsibility as increased in these last 10 years in spite of all that has been done.

We can meet this challenge only by each one of us and all together dedicat-ıg ourselves to this God given responsibility. What are you willing to do about ?

H. R.Starling, Missionary.

5. The American Bible Society Report was given by Tl Clyde Yates, Jr., Pastor of Snow Hill Baptist Church and adop ed as read and atached:

The American Bible Society is an active partner of Southern Baptists in t missionary task of sharing Christ with the whole world—a task which calls f the widest possible distribution of the Scriptures.

PEOPLE MUST HAVE THE BIBLE because it presents Jesus Christ, tl one hope of men and nations.

EACH PERSON MUST HAVE THE BIBLE IN HIS OWN LANGUAGE b cause it speaks to his heart as no other language can speak.

PRINTING the Scriptures.

The Bible is the essential tool of missions and evangelism. The missiona uses it in all his work. The Bible itself is a missionary. It can go where t human missionary cannot go. It can stay on after he must leave—and keep speaking to a person's heart.

The American Bible Society helps missionaries to translate the Bible, pu lishes without note or comment and distributes without profit, usually bel cost. For the Blind, it supplies Scriptures in Braille and other raised-lett systems and on Talking Book records.

DURING 1962 the American Bible Society—

rejoiced that some part of the Bible has been published in 1202 langues; the f Bible in 228, a Testament in 285 more, a Gospel or other complete book in 6 more—but still faced the task of translating the Scriptures into another 1,000 more languages.

extended its work to 40 additional countries and provided almost two-thirds f the year's total of nearly 50 million Scripture volumes distributed by all Bible Societies of the world. Especially encouraging was its overseas distri tion of almost 17 million volumes, which was a remarkable increas of per cent over the year before.

gave almost a million Scripture volumes for distribution by Chaplains to Armed Forces and Veterans' Hospitals, as a vital link between the ho churches and men in service.

sought new ways for reaching pepole who have little or no acquaintance with Bible. Among these new approaches is a program throughout Latin America, which Christian laymen are recruited and trained, in evening courses, in evangelistic distribution of the Scriptures in their own communities, under direction oftheir own churches.

continued to expand its distribution of Scriptures to persons of special needs our own land; people with different language backgrounds; victims of disaste people in crowded problem-filled "inner-city" areas;patients in hospitals a

rsing homes; persons in jails, reformatories and prisons; migrant farm orkers—and many others.

OUTHERN BAPTISTS SUPPORT THE WORK

ecause the Bible Society serves mission work—and Southern Baptist mis-onaries depend on the Society for Scriptures they need for their people—uthern Baptist churches believe in the missionary importance of giving to the nerican Bible Society.

wo years, 1958 and 1961, Southern Baptists led all denominations in gifts to e American Bible Society. But in 1962 Southern Baptist gifts of $158,206 stood cond, exceeded by Methodist gifts of $206,580. Gifts from all churches in the S. A. totaled $1,191.233.

The help of every Southern Baptist church is needed. Has your church given is year? Here are sugestions based on what many churches are now giving:

VERY CHURCH can give AT LEAST these amounts EACH YEAR:

Smaller churches	$10 to $ 60
Larger Churches	$60 to $300
Great city churches	$300 to $600 or more

Please send gifts to your Baptist state office marked "for the American ble Society."

Clyde Yates, Jr.

7. The report of the Baptist Hospital was presented by Dr. . K. McGee in the absence of Dr. Ralph Bland, and adopted as ven.

The opportunity of serving persons created in the image of God is a high holy privilege.

You and I have such an opportunity in multiplied thousands of people wh sick in body, mind and spirit, and who come to our Baptist Hospital seeking p. We reach out the hand of love and mercy through the skilled and dedicated nds of our doctors, nurses, chaplains, and many others in this ministry to total person. We are grateful for this opportunity of joining hands with those o soothe the fevered brow, give the miracle drug, guide the surgeon's knife, ng the message of hope, and do the hundrds of othr tasks which are neces- y in the operation of our great Medical Center.

The number of those who receive the services of our Hospital this year will greater than the population of one of our medium-size North Carolina cities,

such as Goldsboro or Salisbury. Most of them will be seriously ill and refer by their family physicians because they need the kind of care avaliable only a large medical center. They will come from all areas of our state and fr all walks and circumstances of life. What a privilege it is to serve these frie in need and what a challenge to our skills and our compassion!

The Mother's Day Fund, which we provide by our special offerings or an item in our church budgets designated for the Hospital, is the means wh we make it possible for those who cannot pay to have the care they need. T $176,000 which the Hospital receives from the Cooperative Program provided our churches must go to help pay for buildings, purchase equipment, and s port the Department of Pastoral Care.

We call attention to the Service Patient Endowment Fund of the Hosp which we may place in our wills for any amount, or contribute to at any ti and thus continue to be a part of this service of love through the years af we are gone.

We wish to thank our people for their share in this ministry and call u them to make their support a worthy expression of their Christian concern.

8. The Report of the Home for The Aging was presen for adopting as printed in the Minutes and the time was gi to The Rev. William Poole, General Superintendent of the Ho for The Aging, Winston Salem, N. C.

God has blessed the ministry of our North Carolina Baptist Homes i wonderful manner during the twelve years of our operation, and the past y has been filled with His goodness.

We are now able to serve 160 residents in our four Baptist Homes— Hayes Home and Resthaven in Winston-Salem, the Albemarle Home, at Al marle, and the Hamilton Home, at Hamilton.

In June of 1962, the doors of the lovely new Hamilton Home were opened the first residents, and the halls have been ringing with the laughter and happiness of the residents there since. This bautiful facility has greatly leng ened and strengthened the arm of our total ministry, and has already brou much joy to our Baptist people in Eastern North Carolina. We are look forward to the day in the future when the arm of compassion can be exten to reach and serve more of our aging people in Western North Carolina.

The greatest single need is for more space continually. Today there 160 people waiting for admission, from all areas of our State, and it is an he breaking experience to keep these dear people waiting who so urgently n to come.

The average age among our residents is 80. Our youngest resident is and our oldest resident will be 102 in July. Between this age span, we are seek to meet almost every conceivable life need of the individual. Each pers in an atmosphere that is distinctly Christian, is surrounded by love, pe and security. Perhaps one of the greatest single contributions that is mad receive tender loving care in sickness as well as in health. Years are liter added to the life of a person in our care, we feel.

The tie with our Baptist people and our Baptist Churches is a blessed indeed. We are continually dependent upon the prayers, the visits, the lov concern, and the financial support of our people. The two most vital media support from the churches are the Special Day Offerings, received on the t Program. Inasmuch as we receive only 1 3/10% of the State Conventi

are of the Cooperative Program, or $7.92 out of each $1,000.00 contributed rough the Cooperative Program, we shall have to continue to look to the ecial Day Offerings for the greater part of our support from the churches.

North Carolina Baptists have given a good account of their stewardship their ministry to the aging during these years of wonderful beginning, and e have the faith to believe that they will continue to move forward in this eat area of human concern.

William A. Poole
General Superintendent

The North Carolina Baptist Foundation is an incorporated agency of th Baptist State Convention, created by the Convention for the purpose of pr curing and administering endowment funds for all the institutions and agencie of the Convention. It is a service agency dedicated to the task of undergirdin all of our Baptist work.

The Foundation is not a professional fund-raising organization, but endeavo to help people do what they wish to do with their material possessions. Throug the Foundation one can make a perpetual investment of his earthly possessior in any North Carolina or Southern Baptist cause.

The Foundation is managed by a Board of Directors, fifteen in numbe elected by the Baptist State Convention. These are people of integrity, busine ability, and moral responsibility, and are active members of Baptist churche They serve without compensation. The officers who handle the funds are full bonded. The Investment Committee is chosen from business men of prove ability and long experience.

The Foundation serves individuals in ESTATE PLANNING, and in th PREPARING OF WILLS AND LIVING TRUSTS. Any person wishing to prepar a will that includes Baptist causes among the beneficiaries may have the assi tance of the Secretary of the Foundation in the study of the estate problems, an the preparation of his will.

The Foundation serves Churches by managing trust funds that have bee left for them, and by providing speakers for pulpit supply and special occasion Contact the Secretary of the Foundatoin, Mr. C. Gordon Maddry, 301 Hillsbor St., Raleigh.

The Foundation serves Baptist Institutions and agencies by assisting peop in the designation of their material possessions for the Baptist causes of the choice; by safeguarding, investing and administering all types of trust fund for Baptist agencies and institutions; and by disbursing trust funds accordin to the designation of the donors.

There are three basic ways that an individual may contribute to an Baptist cause through the Baptist Foundation.

First, by a LIVING TRUST, by which one may give any type of propert during his lifetime, designating how the income is to be used for Baptist cause A living trust may be set up to meet almost any need. You may receive a or part of the income during your lifetime, designating the rest to the Bapti cause of your choice, with all the income going to that cause upon your deat A Living Trust usually results in a tax saving, and reduces the probate expens You have the satisfaction of seeing your property go to the cause that you wan to receive it. Through the Foundation, Memorial Trusts may be set up in you name or in the name of a friend or relative which is a more perpetual memoria that a granite monument.

Second, by a GIFT ANNUITY, a plan by which you deposit funds with th Foundation and receive a guaranteed, fixed, income as long as you live. The

n your death, the income from the fund will go to the Baptist cause that have designated.

Third, by BEQUESTS IN WILLS, one may contribute after his death to the ɔtist Causes that he loved and supported while living. A will insures that n your death your estate will be distributed exactly as you desire. As a ward of God you are responsible for the distribution of your possessions ice among your beneficiaries by listing in your will, "The North Carolina ɔtist Foundation, a Corporation, for . . . " and list the correct legal name he institution or mission cause that you want to be your beneficiary.

ɔorts:

2. Association Missions Committee, Dr. W. C. Reed, Chairman.

Your misions committee serves two main purposes: It studies and advises cerning mission fields within the Association and it serves as a connecting between the local Association and the Baptist State Convention.

For the past year, we made application for $6,596.00 to the Baptist State vention. All of this was granted. It was distributed as follows: $864.00 on ociational Missionaries salary salary; $468.00 on Pastor's salary at Rose-ɔd; $1,164.00 on Pastor's salary at Brookside Chapel; $840.00 on Pastor's salary Pineview; $500.00 on lot at Pineview; $2,520.00 on Pastor's salary at Adams-e; and $240.00 on Pastor's salary at Neuse Chapel.

In return our Neuse Association paid into State Missions a total of $4,118.97. 22.96 of this was through special offerings and $1,496.01 through the Co-rative Program. Please note that we received from the State Missions Pro-m of our State Conventions $2,477.03 more than we paid into it. Surely this nts up the fact that we should strive hard to increase both our special offer-for State Missions and our Cooperative program giving.

We think a very significant step has been taken with reference to Neuse Chapel, which is now sponsored by the Neuse Association. Since it is located so near to Kinston, your Missions Committee recommended to the Executive Committe that we ask the First Baptist Church of Kinston to accept responsibility for this work in the future. This was acceptable both to your Executive Commitee and to the Chapel. Now the First Baptist Church has included money in the 1964 budget to pay the balance of the debt on Neuse Chapel and supplement the Pastor's salary. This will be voted on by the Church on October 20th. We anticipate no objections.

3. The Asscciation Sunday School Report: The Rev. James E. Womble.

At the beginning of the year Sunday school was conducted in thirty-one churches and three missions with a total enrollment of 7,759.

When we began the new associational year there were not any Sunday schools in our association that were recognized as Standard. In fact for a number of years a standard Sunday school has not been reported in our association. However, we are pleased to announce that during the year that the Sunday school of the Adamsville Baptist Church was awarded the Standard of Excellence. Perhaps others are doing standard work, and we hope so. If this is true, we trust that these churches will apply for the Standard of Excellence award.

Pastor Dwight Early, Jr., was our able Associational Sunday School Superintendent for the year, but during the summer he resigned his work here to accept a pastorate in another association. Thus for a time we were without a superintendent. A replacement for Pastor Early has been made and we are now organized for another good year ahead.

A matter of special interest to all of us is that on November 3, another mision Sunday school, sponsored by the Madison Avenue Baptist Church, in the Mar Mac area of Goldsboro will be started in our association.

We now have 9,670 people enrolled in the Sunday schools of our association. The FIELD IS TRULY WHITE UNTO HARVEST, thus making possible a goal of twenty percent more in 1964.

Respectfully submitted,
James E. Womble, Superintendent

The Report was adopted.

The Rev. Paul Kesterson of the Sunday School Department spoke to the Report.

4. The Training Union Report. The Rev. R. Lacy Oliver. This year Snow Hill and Deep Run reported new Unions. We should have 25 Unions, but some lights went out in other churches.

Youth Night was held in 12 churches.

In 1962 there were two "M" Nights, but in 1963 we are planning 4 "M" Nights. Emmanuel, and New Hope in Kinston area, and Calvary and Adamsville in the Goldsboro area.

You will receive a letter on the plans. We hope for a goal of 400. Plans need to be made to train leaders in the church.

5. The Woman's Missionary Report was made by Mrs. Jack Hawkins, but she said she was giving the report which Mrs. T. G. Johnson should have given.

This 75th anniversary year The Women of Neuse Association have truly been "Laborers together with God." 1 Cor. 3:9, That the world through Him might be saved. Johns 3:17. Together we have "told the story" in our various mission organizations.

Our spring annual meeting at Fremont, March 28, had approximately 190 in attendance to hear a stirring message by Rev. Alvin E. Spencer, our missionary on leave from Okinawa. A 75th Anniversary presentation of past missionary women was featured.

A 50th G A Anniversary Banquet was held at Meadow Lane School near Goldsboro with 226 attending. Approximately 200 attended the most inspirational G. A. Rally at First Baptist Church, Kinston this past year. The YWA Youth anquet had 86 in attendance to hear Miss Mary Hester Powell, missionary n furlough from Nigeria, speak of our Baptist work there.

Mrs. Gilmer Cross taught three Leadership courses for G A Leaders during ie year with 35 receiving Leadership cards. The Associational President taught wo courses for WMS Leaders with 45 receiving Leadership cards.

Leadership courses for WMS and YWA Leaders will be held at LaGrange ct. 25-Nov. 7. Leadership cards will be presented those qualifying.

The Sunbeam Day camp was held in August at Spilman Church. The attendance was small but interest keen this past year. The Mission Study Institute as most successful this year. Held at LaGrange with 50 attending from 12 nurches. Although three churches have not reported at this time we are delighted to report we believe we are an honor association again this year. More han 15% of each WMU organization has qualified on our aims for advancement.. Special Anniversary goals were met by four churches and will be recogzed by state headquarters. They are: Spilman Memorial, New Hope, Madison venue and Goldsboro First. New work has been established weher none xisted before. A Grace McBride YWA has been organized at Lenoir Memorial ospital sponsored by Spilman Church.

Our Leadership Conference was well attended with 104 at First Baptist hurch, Goldsboro, 14 Churches being represented.

The Annie Armstrong and Lottie Moon offerings reported thus far have own a decided increase.

This fact—together with having 43 organizations receiving recognition in the Churches having a WMS—speaks well indeed for our missionary endeavor.

Respectfully submitted,
Mrs. T. G. Johnscn

The cost per camper was $10.88 this year with the deficit being made up through sales in the camp store and craft shop. The cost is small and the efforts giving by the staff can not be measured, only time and the greatness of God in the lives of those touched will show the value of camp. May God help us as an association to plan and care for the needs of our youth through this effort in the years to come.

13 The Report on the Children's Home was prepared and presented by Mrs. V. H. Jones and noted to be printed in minutes.

More children were served by the Baptist Children's Homes of N. C. last ear than ever before in history. This was made possible by the interest, prayers nd giving of N. C. Baptists and friends. We are indeed grateful for every emembrance; the Thanksgiving offerings, the once a month offerings, and ooperative Program gifts, food, clothing and other things. Without these we ould not provide the many services to children which we do.

The physical, mental, social and spiritual growth and development of our hildren has been most gratifying. N. C. Baptists have every reason to rejoice ith the very fine response of these boys and girls to the christian love and are afforded them.

For years now we have been reminded of a growing need for specialized ervices for an increasing number of children who suffer emotional illness. We an now report that a limited number of children are receiving this service in small home in Chapel Hill in cooperation with the University Medical Center. hese children are receiving the bst professional, medical help that can be rovided. This aid will strengthen greatly our ntire child care program.

We must keep our pressing needs before you. Applications for admission of hildren are increasing greatly. A very familiar plea is, "Unless you can help his child, there is no hope for him." We lay upon your hearts three areas of eed.

1. An immediate increase in the number of children in good chrisitan foster omes in all areas of the state.

2. Continuous expansion and up-grading facilities to enable the Homes to eep abreast of the best in child care.

3. An increase in financial support to undergird and strengthen the entire rogram.

A generous Thanksgiving offering is a MUST. Without this we will not be ble to maintain what we have in progress. We must challenge our Pastors, unday School Superintendents and church leaders to make the best preparation ossible for the forthcoming offering. This giving for the care of dependent hildren affords one of our greatest joys in christian service.

Financial support for the past year came from the following sources:

Cooperative Program	33 Per Cent
Thanksgiving Offering	30 Per Cent
Once-A Month Offerings	16 Per Cent
All other	21 Per Cent

Charity and Children, the official publication of the Homes, is now in its 76th. year of publication and is widely read by our Baptist people. An issue of Charity and Children can be enjoyed each week for only sixty cents a year, it can be enjoyed each week for only sixty cents a year, if you get it through your church. See that your church receives it.

6. The Report of the Southern Baptist Protection plan was discussed by the Rev. Guy S. Cain, Secretary of the Retirement Plan of Raleigh. He reported that 17 churches of our Association have a retirement plan for their pastor.

7. The Report on Children's Home was given by Mr. W. A. Smith, Superintendent of Kennedy Home. He introduced Mr. John Roberts of Charity and Children who spoke to the report.

8. The Report of The Associational Missionary, The Rev. H. R. Starling:

REPORT OF THE ASSOCIATIONAL MISSIONARY

As I terminate my service as your Associational Missionary after these eleven (11) years I find it difficult to find the words and the time to say what is on my heart.

During this period of service seven (7) of our churches have moved from part time up to full time churches with pastors living on the fields. Also seven (7) new churches have been organized and ten (10) missions, some of which are now full time churches.

This year on the mission front all of our churches have supported missions locally and beyond the Association.

Also this year there was a Vacation Bible School in all of our churches and we had four (4) mission schools.

But the job is not finished; there is much land yet to be conquered. Many thousands of people have moved into this area during the last few years—people to whom each Baptist in the Association has a personal responsibility.

I pray that you people will see opportunities when they present themselves for still other missions and churches and see that they are properly started under proper sponsorship. And equally important that the present churches shall be guided in a continued path of development.

Respectfully,
H. R. Starling

9. The Association sang the hymn "To God Be the Glory".

10. Miss Neva Harper, Chairman of Special Committee on Education, gave her report. She spoke on school dropouts and said that she will be doing more work in the coming year on this problem.

11. The Report on Christian Education was made by Rev. Charles Hodges in the absence of Rev. Gordon Conklin. The report was spoken to by Dr. S. L. Stealy, Past President, Southeastern Seminary, Wake Forest, N. C.

We have come to a crucial moment in Christian higher education. The old order is changing in every area of our national life. Nowhere is this more apparent than in higher education. Christian education in particular is going through a considerable period of change, adjustment, and re-evaluation.

North Carolina Baptist Colleges have an outstanding record of service and progress. During the past twenty years these seven schools have built and paid for more than $50,000,000 worth of buildings. They have graduated thousands of students. They have poured into the life stream of this denomination a steady flow of ministers, missionaries, church workers, and lay leaders. It is doubted that anywhere in the country any denominational schools can equal the record made by these seven North Carolina Baptist Colleges.

All of these schools at the outset were local in conception and service. This is no longer true. North Carolina Baptist colleges are serving students from almost every state in the union and from almost every nation in the world.

On the practical side the picture is not so pretty. During the past twenty years the cost of education has soared,, and the number of students applying to the colleges has more than tripled. North Carolina Baptist, through the cooperative Program Advance, began in 1961 to raise around $12,000,000 for a Capitol Program for our colleges. This figure was later revised to around $4,000,000. Actually, the program will produce less than $400,000. This amount will have to be divided between the seven colleges and the Baptist Student Union. When this Program of Advance was initiated the colleges were receiving approximately 28% of the total distributable funds kept in North Carolina. Today, however, the colleges are getting only 25% of the total distributable dollar. This loss of 3% is costing the colleges thousands of dollars. Thus, North Carolina Baptists, through the Cooperative Program have continued only an average of 7.5% of the operating dollar of each North Carolina Baptist College during the year 1963-64. The students themselves are carrying 83% of the operating costs; while the other 9.5% is from Endowment gifts.

While North Carolina Baptists have an enviable record in the past of their support of Christian Higher Education, it is now apparent that not even in a special campaign designed to meet the needs of our colleges, have we more than given "postage money". Is it that the resources of our Baptist people are not sufficient to support this cause with its ever increasing needs and demands, or are we just willing to let them seek support where it is available? It seems that it is becoming more and more apparent that Baptists are going to have to exercise ingenuity and initiative in many directions if we are to reach a solution to our financial problems.

Respectfully,
E. Gordon Conklin

12. The Session sang the hymn "I Am Resolved", and were dismissed by prayer.

SECOND DAY, OCTOBER 8, 1964

UNION BAPTIST CHURCH

Route 4, Kinston, N. C.

1. The Opening Session of the Day of the Thirty-Third meeting of the Neuse Baptist Association was called to order by the moderator. The hymn "I Am Thine O Lord" was sung by the Session. The Rev. Edwin Carroll gave the Devotional and led in Prayer.

2. Rev. Gordon Conklin welcomed the group in the absence of Rev. C. E. Ruffin who was in the hospital.

3. The Report on Civic Righteousness was given by Mr. Gordon Sugg, and adopted as given. Rev. D. P. McFarland, Executive Director, Christian Action League, told us much concerning this work.

REPORT ON CIVIC RIGHTEOUSNESS

The lack of God's reality in many people lives, although nominally believing in Him, has caused our people to judge poorly in voting to approve legalized liquor in Wayne County. Honesty and integrity and the loss of a clear distinction between right and wrong has resulted in race problems, teenage mob violence, and alcholics at a rate of 1,200 per day in the United States. Dr. Andrew C. Ivey, Chairman of the department of clinical science, University of Illinois, "Alcoholism is now the nation's number three health problem from a standpoint of incidents, lives lost, and people disabled."

Modern attractiveness of recreational and social entertainment competing for the time and attention of our people has resulted in a general falling away from spiritual life and religious activities.

We recommend to this association the following suggestions:

1. That our people know we stand opposed to crime, violence, alcoholic beverages and immorality.

2. That we seek God's purpose for our lives through prayer and regular worship both in the homes and in the churches.

3. That we not only proclaim the New Testament teachings, but obey the teaching, and demonstrate in every opportunity the security of our faith.

Respectfully,
Gordon Sugg,
Chairman

4. Rev. John H. Houghton gave the Report of the American Bible Society.

REPORT OF THE AMERICAN BIBLE SOCIETY

The Bible as no other book is the world's book. If the people of the world are to know Jesus Christ, the hope of men and nations, they must have the Bible.

Each person must have the Bible in his own language because it speaks to his heart as no other language can. But in most countries people can not afford even the cost of printing the Scriptures. Therefore someone must make this the first business in life. THIS ONE THING THE AMERICAN BIBLE SOCIETY DOES.

The American Bible Society is an active partner of Southern Baptists as we endeavor to present Christ to the world. It helps missionaries to translate the Bible, publishes without note or comment and distributes without profit, usually below cost. For the blind, it supplies Scripture in Braille and other raised-letter systems and Talking Book records.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay after he must leave — and keep on speaking to a person's heart.

During 1963 the American Bible Society —
rejoiced that some part of the Bible has been published in 1216 languages; the full Bible in 231, a Testament in 290 more, a gospel or other book in 695 more — but counted over 1,000 more languages in which no book of the Bible has yet been published.
gave almost a million Scripture volumes for distribution by Chaplains to our Armed Forces and Veterans Hospitals, as a vital link between the home churches and men in service.
distributed a record total of over 34 million Scripture volumes in 444 languages, in more than 120 countries — with almost half of the total going to other countries — and dedicated itself to the task of doubling its annual distribution to meet urgent worldwide need.

Southern Baptist Support the Work —
Because the Bible Society serves mission work — and Southern Baptist missionaries depend on the Society for Scriptures they need for their people — Southern Baptists believe in the missionary importance of giving to the American Bible Society.
In 1963 Southern Baptist churches gave $167,498 to the American Bible Society. Methodist gifts were $172,771. Gifts from all churches in the U.S.A. totaled $1,120,277.

The help of every Southern Baptist church is needed. Has your church given this year? Here are suggestions, based on what many churches are now doing. Every church can give at least these amounts each year:

Smaller churches.....$ 10 to $ 60
Larger churches.....$ 60 to $300
Great city churches.....$300 to $600 or more

Please send gifts to our Baptist state office marked "for the American Bible Society."

The Society increased its work by approximately 1% with a little more than a 6% decrease in gifts. What could it do with more?

Respectfully submitted,
John H. Houghton

5. The Clerk reported that the following registered for the night session at Fremont: 74 Messengers, 14 Pastors, 32 Visitors —120 Total Present.

6. The Clerk read the Summary of Executive Committee Meetings during the year and this was approved as read and is attached.

The first meeting of the Executive Committee of the Neuse Baptist Association for 1963-64 was held on October 7, 1963 at the Kennedy Home Baptist Church. Mrs. T. G. Johnson resigned as Associational W. M. U. President and Mrs. Jack Hankins was elected to replace her.

The November meeting was held with the LaGrange Church. The following new pastors or change of pulpits were noted:

Rev. Frank Carmody to Rivermont,

Rev. Charles Hodges to New Hope,

Rev. Tom Caulkins to Madison Avenue

At the December meeting, which was held with the Calvary Baptist Church in Goldsboro, it was announced that New Hope Church and Sandy Bottom Church have both gone to full time work.

The Union Baptist Church was the site of the January meeting. Rev. E. B. Carroll, the new pastor of Sandy Bottom Church, was introduced to the group.

In February, the Executive Committee met with the Rosewood Church, at which time the Rev. John H. Houghton, the new pastor of the Cabin Church was presented to the group.

In March, the Executive Committee met with the Pineview Church. The Associational Missionary reported that the note due on the Neuse Baptist Chapel lot had been paid in full by the Kinston First Baptist Church. Miss Neva Harper of Fremont was elected as chairman of a committee to work with school dropouts. The Resolutions Committee moved that appropiate resolutions be drawn to express the appreciation of the Neuse Baptist Association to the clerk, H. Arthur Dechent, who is leaving to accept a call to Clover Baptist Church, Clover, Virginia. This was approved. Rev. T. C. Williams asked that the committee accept his resignation from the office of Treasurer, Audio-Visual Aid Committee and Camp Committee effective March 31, 1964 so that he might accept a call as Pastor of Stoner's Grove Baptist Church, Southmont, N. C. His resignation was accepted with regrets.

Rev. Van Wheeler and Rev. Frank Carmody were elected to the Camp Committee to replace Rev. T. C. Williams and Rev. H. Arthur Dechent.

The April meeting was held with the Emmaus Church. A letter was read from the Executive Committee to the Kinston First Baptist Church, expressing thanks for paying off in full the remainder due on the note for Neuse Chapel.

Mr. Joseph Tyndall was recommended for clerk by the nominating committee. This was approved by the Executive Committee. He was elected to take over the duties as Associational Treasurer until a new Treasurer is elected.

At the Cabin Baptist Church, the May meeting was held. A resolution was adopted to the First Baptist Church of Kinston, thanking them for taking over the sponsorship of the Neuse Baptist Chapel.

In June the Executive Committee met with the Trinity Baptist Church.

The July meeting was with the Sandy Bottom Baptist Church. Rev. J. C. Hill the new pastor of the Falling Creek Baptist Church was welcomed into the Association.

Plans were made and approved for the August meeting, which was to be an evening meal at Camp Tuscarora on Tuesday, August 11th, with the R. A. Boys and Staff members. It will be a dutch supper and also ladies night.

Mr. Starling read his resignation as Associational Missionary, which was accepted with regret. Rev. Lacy Oliver was elected to fill the unexpired term of the fifth member of the Missions Committee to assist the Missions Committee to secure a new Associational Missionary.

It was voted that a V. B. S. be held in Pink Hill, with Evangelistic services in connection each night. Deep Run and Cabin Churches are to sponsor the mission work at Pink Hill.

Rev. Frank Carmody and Rev. Edwin Carroll were elected as director and assistant director of our Associational R. A. and G. A. Camp.

Respectfully,
Joe Tyndall, Clerk

7. Report of the Baptist Hospital was presented by **Dr.** W. K. McGee in the absence of Dr. Ralph Bland.

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

The trustees and administration of our Baptist Hospital have expressed their appreciation for the interest and concern our churches have shown in the ministry of the hospital. In behalf of thousands of our people who cannot pay for the skilled care received at our Medical Center, they expressed their thanks for our Mother's Day gifts which make this service possible

This is a crucial year in the life of our hospital. It is serving more sick people than ever before in its history. At the same time, the needs continue to grow faster than its capacity to serve. For more than a year there has been an average of above 700 sick people on the waiting list for beds. A number of seriously ill or injured persons have had to be sent from the emergency rooms to other hospitals because no beds were available.

Another difficult problem is that of meeting the cost of caring for those who cannot pay for the service they need. Within our state there are many older people who live on a meager Social Security or Old Age Assistance income, families whose savings and sometimes their ability to earn have been wiped out by long and serious illness, and great numbers who cannot rise above the poverty line. All who come must pay for their medical care in so far as they can, but there are great numbers who simply cannot pay the full cost. Our hospital tries to get all the help it can for these persons from welfare and health agencies, but these agencies do not pay the total cost and many persons are not eligible for such assistance.

The hospital receives a share of our Cooperative Program money, which helps to support the Department of Pastoral Care and provide equipment and facilities required in the work of the hospital; but the Mother's Day Fund provided by our churches is the only means the hospital has of bridging a wide gap between the funds available and the cost of caring for those who cannot pay for their medical service.

Our hospital and medical school are beginning a large development program greatly to increase the capacity of our Medical Center to care for our sick people and to train additional doctors, nurses, and other personnel to serve in our communities, on our mission fields, and where ever these trained persons are so badly needed. The people of the Winston-Salem area have expressed their confidence in our Medical Center by pledging more than seven million dollars to this enlargement program. Our great concern is that, when our hospital has increased its capacity to meet our specialized medical needs, will our churches provide the money to take care of those who need these services but cannot pay for them.

This is a heavy burden on those who are responsible for the operation of our hospital. We are confident that if our people are informed of the work and the great need, they will provide the necessary means. We call upon our pastors and other church leaders to lay this upon the hearts of their members. It is a greatly needed and wonderful ministry to which Jesus gave himself without reserve. We who are His followers must not fail those to whom he would minister through us.

10. Mr. Marse Grant, Editor, Biblical Recorder, Raleigh, N. C., spoke to the group.

11. The Report of N. C. Baptist Foundation, Inc., was given by Mr. C. Gordon Maddry, Executive Secretary.

The N. C. Baptist Foundation is not a professional fund raising organization, but is set up to help people to do what they wish to do with their material possessions.

The Foundation serves individuals in Estate Planning, and in the Preparing of Wills and Living Trusts.

There are three basic ways that an individual may contribute to any Baptist cause through the Foundation: first, by a Living Trust; second, by a Gift Annuity; third, by Bequest in Wills.

12. The group sang the hymn "Blessed Assurance".

13. The Annual Sermon was preached by the Rev. M. O. Sears, Pastor of Adamsville Baptist Church. The title of the sermon was "Prayer" and he used James 5:13-20 as a text.

14. Rev. Gordon Conklin gave information about where the dinner would be served. The session was closed by prayer and the blessing.

AFTERNOON SESSION

1. The Afternoon Session began with the singing of the hymn "I Will Sing the Wondrous Story". The Devotional was led by Rev. T. H. Caulkins, Pastor of the Madison Ave. Baptist Church. His subject was "Mountains and Mole Hills".

2. Association Missions Committee, M. O. Sears, Chairman. Motion made and passed that old Missions Committee turn over to the new Missions Committee any information or progress made toward obtaining a new missionary.

ASSOCIATIONAL REPORT OF THE MISSIONS COMMITTEE

Your Missions Committee studies and advises with reference to missions within the association, and seeks to relate the work of the association to the State Baptist Convention.

During the past year we have reviewed and forwarded applications for $5,200.00 to the Baptist State Convention, all of which was granted. These funds were distributed as follows: $696.00 on Associational Missionary's salary; $550.00 on pastor's salary at Calvary; $1992.00 on pastor's salary at Adamsville; $660.00 on pastor's salary at Pineview; $948.00 on pastor's salary at Brookside; $117.00 on pastor's salary at Rosewood and $100.00 on pastor's salary at Neuse.

Last year we received $2,477.00 more from State Missions than we gave to State Missions. However, this year the tide seems to be turning. During the first eleven months of the year we have received only $550.00 more than we have given, and our special September State Missions offerings were yet to come. We sincerely hope that the Neuse Association is now on the giving, instead of the receiving end of missions.

During the year your Missions Committee surveyed five communities to evaluate the possible need to begin new Baptist work. These areas were: Raleigh Road; Nahunta; Highway 13—Salston junction; Murray—Hookerton area; and Pink Hill. Pink Hill was found to be the most promising place to begin new work. With Deep Run and Cabin Churches as co-sponsors, work was begun on August 24 through Vacation Bible School and revival efforts.

On April 6 our Associational Missionary, Rev. H. R. Starling submitted his resignation to the Missions Committee to become effective September 30, 1964. This placed upon the Committee the grave responsibility of finding a successor and presentiing him for the approval of the Association.·

At this time we have no definite report relative to this office except to call upon the churches of the association to join with your Missions Committee in prayer that God's man for God's work may be sought, and found, and led by the Holy Spirit to accept the great challenge that confronts the Neuse Baptist Association as we move on to greater things for Christ.

Respectfully submitted,
M. O. Sears, Chairman

3. The Association Sunday School Report: The Rev. James E. Womble.

SUNDAY SCHOOL REPORT TO THE ASSOCIATION

The Great Commission of our Lord is just as relevant in our generation as it was in the first Christian century. We are to **"Go** and **teach** all nations, **baptizing** them in the name of the Father, and of the Son, and of the Holy Ghost; **teaching** them to observe all things . . . "

The Sunday Schools of our churches have been assigned the tasks of outreach, teaching the Bible, leading all church members to worship and witness daily, providing opportunities to perform the personal ministries of the church, furnishing workers for various projects, and interpreting the work of the church and denomination.

Dr. A. V. Washburn, secretary of our Southern Baptist Sunday Schools, says, "Before outreach can become a continuing reality, our churches must get their programs in the right order. The natural order is the reaching of people, the winning of the lost, and the development that should come out of it."

Southern Baptist Sunday Schools are seeking to enroll ten million by 1970. In order to achieve this goal we must gain approximately 30% in the next six years. In North Carolina we are challenged to reach a Sunday School enrolment of one million by 1970, or a gain of 29%. This tremendous task of outreach must have priority.

We are asking each Sunday School in our association to accept an enrolment increase of 2% for 1965, 3% for 1966, 4% for 1967, 5% for 1968, 6% for 1969, 7% for 1970. We will grow great Sunday Schools as we show compassionate concern for the unreached. **Evangelism, stewardship, missions, discipleship** — all of these wait upon outreach. **People** must be our concern.

These enrolment gains can be realized by organizing new Sunday Schools (a new Sunday School will gain 30); the creation of Extension Bible classes (each will gain 10); the starting of new adult classes (each will gain 6); the activating of Extension, Cradle Roll, and Young People Away Departments (each will gain 6); and enrolling Vacation Bible School pupils not in Sunday School.

If we will follow the simple growth formula advocated by Dr. Arthur Flake many years ago — locate the prospects, enlarge the organization, provide needed space, enlist and train workers, and visit the people — we will experience the glorious opportunity of reaching people for Bible study that they might become followers of Jesus Christ.

Along with an accelerated emphasis upon outreach, each Sunday School is urged to observe January Week of Bible Study, to plan a church and mission Vacation Bible School, to promote Operation Home Study and other opportunities of training in the Church Study Course, to cooperate in the Adult Thrust effort to reach thousands of Adult church members not enrolled in Sunday School, to participate in the Associational Sunday School projects — clinics, conferences, enlargement campaigns, and to encourage workers to attend the Sunday School emphases at the North Carolina Baptist Assembly, Fruitland, and Ridgecrest. As our Sunday Schools go, so will our churches go.

Respectfully submitted,
James E. Womble, Superintendent

5. The Brotherhood Report: Mr. John Mewborn, Chairman.

BROTHERHOOD REPORT

1963-1964

The Brotherhood has had four quarterly meetings in the past year instead of monthly meetings. This is in accordance with our new plan of work suggested by our State Brotherhood.

The first meeting of 1963-1964 was held in Kinston and led by our World Missions Leader. In February, I attended an Executive meeting of the State Baptist Brotherhood at which more of the new plan of work was discussed.

Our second associational meeting was held in Snow Hill on February 17th, with the Christian Witness Leader presenting the very effective program.

On May 18th, the meeting was held at Rivermont Church in Kinston, by the R. A. Leader. At this time, the Neuse Camp was discussed by Mr. Wheeler. Our camp this year was very inspiring to those of us who tried to give our time and talents under the leadership of our new Camp Director, Rev. Frank Carmody. I am making a plea at this time for more men and women to serve as teachers and counselors for our boys and girls next year.

Our fourth meeting was held at Calvary Church in Goldsboro, with our Stewardship Leader presiding.

A briefing meeting was held at Camp Carraway on August 28-29th for your president and on September 28th, all of our Associational Brotherhood officers were present in Robersonville to prepare for a workshop for all our Brotherhood men on November 16-17, 1964 in LaGrange. I hope all our pastors and men in our churches will be present to better prepare yourselves for your responsibilities.

ACTIVITIES COMMITTEE

It is impossible at this time the activities committee to present a program of activities including state and southwide plans for the coming year. At the present time it has not been possible for all newly elected officers to present the dates of their activities for the coming year. Any program of activities presented today would be incomplete. In order to avoid major conflicts with dates I recommend that a carefully planned program of activities be presented at the November meeting of the Associational Executive Committee.

David Leary,
Chairman

9. Resolutions Committee: Rev. David Leary, Chairman.

RESOLUTION COMMITTEE

The Resolution Committee recommended that messengers to the Neuse Association express their appreciation to the Fremont and Union churches for the many ways in which they have extended their hospitality during this Annual session of the Association and to the program committee and officers for the fine speakers they secured.

The Resolution Committee recommended that all present at the Thirty-Third Annual Session of the Neuse Association rise in appreciation to Mr. and Mrs. H. R. Starling for their eleven years of service among us pledging to them the support of our prayers as they continue to serve our Saviour in the future.

Due to a shortage of counselors Miss Eva Neel and Mr. James Hall who had registered as senior campers for their respective weeks and being just short of their seventeenth birthday, were asked to serve as counselors. They were given a refund of the camp fee. Both of these young people did a very commendable job as counselors.

The Camp Directors are very grateful to all those who assisted at the camp as staff, pastors, teachers and counselors. Without their fine help, cooperation and dedicated service the camp could not have functioned. We all owe a vote of thanks to the Rev. Van Wheeler, former pastor of Fremont Baptist Church for his excellent planning and work as Camp Director until July 1, 1964. Rev. Van Wheeler is now Director of Education at the Pine Street Baptist Church in Richmond, Va.

Rev. Charles Hodges has some fine movies taken at the camp and the Camp Director has a large collection of color slides and stills, all of the 1964 camp. These will be used for the Camp Publicity Program for next year. It is hoped that you will request that these films be shown to your church or some of the church organizations. For further information call Frank M. Carmody, Kinston, JA 3-2697.

The camp this year was the largest that we have had to date. In 1961 there were 132 campers, in 1962, 152, in 1963, 180. This year we had 197 campers and a staff of 35. Eight campers who registered did not come to camp. Our overall expenditures were somewhat less this year and we came out with a slight profit. In the Camp Store we discontinued the selling of candy, gum, chips and other appetite spoiling sweets, the store was open only a limited period of time for the sales of soft drinks and ice cream only. The Craft Shop sold only those items directly related to the Craft Program of the camp. Each camper received fifty cents worth of trade at the Craft Shop as part of his camp fee. All the items sold carried a very small mark up.

During the Girls Week we had one of our missionaries from Liberia address the campers and the staff. She was Miss Mary Heaster Powell whose home is in Warsaw, N. C. During both the Boys and the Girls Week we were thrilled to have the Mitchners speak to us and show us their movies that they have taken on their world travels. Mr. Mitchner is a businessman who spends his free time traveling all over the world visiting our missionaries and taking pictures to bring back. On their return they spend their free time showing these pictures to church and church related groups.

The emphasis of the camp this year was on Jesus Christ and the teachings of Christ. A continuing effort was made to keep the atmosphere of the camp christian at all times. Two hours each day were spent in the teaching and study of the Camp Program series books "Outdoors with Christ."

Below is a list of Camp Property purchased this year and now in the custody of the camp director.

3 softball bats, 2 ball, softball, 1 Badminton set, 4 player, 1 volley ball, 1 volley ball net, 2 books "Braiding and Lacing for Fun", 6 mocassin kits, 2 key case kits, 3 Walletkits, 11 knife sheath kits, 5 Page manuels, 5 Squire manuels, 5 Pioneer manuels, 5 Knight manuels, 1 Ambassador Counselors Guide, 1 Pioneer Counselors Guide, 1 Crusader Counselors Guide, and 4 Royal Ambassador Campcraft Books.

15. Report on Evangelism: Rev. G. H. Cross, Chairman. Rev. Harold White, Assistant Promotional Secretary, spoke to the report.

ASSOCIATIONAL EVANGELISM REPORT 1964

The special five-year effort (known as Baptist Jubilee Advance), in evengelism and missions on the part of the Baptists of North America came to a close at the joint meeting of the groups in Atlantic City, New Jersey, in May 1964. What was done is now history and we cannot go back to improve or change the record.

The record of our association reveals the following additions to the churches in 1964:

By Baptism, 376; By Letter, 430; Total, 806.

The enevitable question arises, where do we go from here? What shall we do in 1965?

We can and we must search our hearts before God to find His will for us and to experience His empowering as we endeavor to be obedient to His commands. This we need as individual Christians, as churches and as a denomination.

Most of us need to take a fresh look at evangelism as it is practiced in our personal lives and in our local church. To do this on the right basis we must first make an earnest effort to see what evangelism is as it is revealed in the New Testament. A good definition of the New Testament picture of evangelism is found in the new **Southern Baptist Handbook On Evangelism** which is as follows: "Evangelism is the outreach of the church by confrontation with the gospel of Christ to bring people to a personal faith and commitment to Christ as Saviour and Lord, in order that the committed may become a part of the outreach."

This wonderful experience of Christ confronting the lost through His people will not become a reality in a life or a church merely by accepting and adopting a creed, a statement of doctrine, a set of rules for conduct. There must be the experience of being **in Christ** and a perennial vigilance in seeking to be used of Christ in His purpose of redemption. In the light of these and other pressing truths we should ever keep before us these objectives:

1. To keep all programming and activities aimed at creating a spiritual atmosphere for evangelism in every church.

2. To keep alive a perennial awareness of the urgency of personal witnessing on the part of every Christian.

3. To refine and intensify our revival efforts.

4. To seek to keep the message positive, practical, scriptural and spiritual with unceasing prayer and diligence.

5. To spare nothing in seeing to it that the new and old church members become a part of the outreach.

For practical help in moving toward these objectives consult the **Evangelism Plan Book for 1965** which the Division of Evangelism of the Baptist State Convention of North Carolina will mail to all pastors this fall and the Associational Evangelism Workbook which will be released by the Convention Press in October 1964.

Respectfully,
Gilmer H. Cross, Chairman

RESUME OF SOME ACTIVITIES OF MR. STARLING AS ASSOCIATIONAL MISSIONARY IN THE NEUSE BAPTIST ASSOCIATION

It was on the afternoon of November 4, 1953 that the new missionary of the Neuse Baptist Association was introduced to his parishoneers. The introduction took place at the Union Missionary Baptist Church in the Moss Hill Community. The record of this meeting is stated as follows: "Rev. H. R. Starling, the new missionary was led before the session and introduced. Rev. W. C. Reed led the assembly in a prayer of dedication."

Since that fall afternoon, Brother Starling and his wife have labored tirelessly in the cause of their Lord's Kingdom in and through the churches and peoples of our great Association. The road has not always been smooth as the minutes tell us. At one time (1956) the financial situation of our work was so lean that a special appeal for funds to continue the Associational Mission program had to be made. Dreams of work proposed have faded into yesteryears. Close friends have come and gone as Pastors and people have moved or been called to Glory.

Yet, the cake has not been unturned. The other side, the larger side, has been the times of joy & happiness in feeling that your labors were not in vain. You have seen TRINITY, MADISON AVE., DEEP RUN, IMMANUEL, RIVERMONT, ADAMSVILLE, and PINEVIEW grow from small beginnings to fully organized churches with an unlimited future. Along with these, you have seen the mission chapels of Calvary in Kinston, Brookside in Goldsboro, Neuse in Kinston, and Mar-Mac in Goldsboro taking shape. As more and more people have moved into our Associational area you have constantly led us onward to new endeavors for Christ. For these 27,125 new people you have made us deeply concerned. You have stirred us to the depths of our beings, and these avenues of service which you have helped us to open shall never close, but continue in ever widening and deepening circles of christian service.

Perhaps the most far reaching effort on your part for your Lord and our people has been your sincere interest in the beginning and development of our summer camp program for boys and girls. Many of them will never know the part you have played; yet because of you, your love, your interest, your concern, they will have a better chance of growing into the kind of Christian man or woman that Christ would have them be.

We realize that these past eleven years could not have been the glorious years for you without the ever presence of the one whom God gave to you for your help mate. Therefore it is to both of you that we the members of the churches of the Neuse Baptist Association dedicate the following words.

Not on the glory field of fame your noble deeds were done;
Not in the sound of earth's acclaim your fadless crowns were won.
Not from the palaces of kings, nor fortune's sunny clime,
Came the great souls whose life-work flings luster o'er earth and time.
For truth with tireless zeal you sought; in joyless paths you trod —
Heedless of praise or blame you wrought, and left the rest to God.
The lowliest sphere was not disdained;

Where love could soothe or save, you went, by fearless faith sustained,
Nor thought your deeds were brave.

No sculptured stone in stately temple proclaims your service wrought;
Like Him who was your great example, we often knew it naught.
But though your names no poet wove in deathless song or story,
Your records are inscribed above, your wreaths are grown of glory."

(D) A motion was made to extend a vote of thanks to Frank Carmody and Edwin Carroll for services rendered.
(E) The Moderator urged the people to return for the afternoon Session and that the doors be closed for the devotional period. The Host Pastor was asked to give instructions about the lunch and facilities.

(F) Gilmer Cross made comment about afternoon session and the speaker, Dr. E. L. Spivey urged the people to remain and hear him; stating that perhaps this would be the last visit from Dr. Spivey as he is to retire next spring.

23. The Worship period consisted of a hymn "To God Be the Glory" and scripture reading from Acts 10 and prayer. Clyde Yates brought a very provoking and challenging message to stir our hearts on the importance of going to tell the news. He concluded with prayer and grace for the noon meal.

Afternoon Session

24. The afternoon Session was opened by Robert D. Davis leading the devotion period.

25. C. W. Bazemore of the BIBLICAL RECORDER was recognized to speak for Christian Literature. Eugene Roberts was not present to give his report. A motion was made to accept Mr. Bazemore's remarks as report. Motion carried. Mr. Roberts' report to be presented to Clerk later.

26. Tom Caulkins was called on for the Memorial Service.

27. Dr. Garland Hendricks was present to represent Mr. Guy Cain on the Annuity Board.

28. The Superintendent of Missions was recognized for several remarks. A motion was made and seconded to accept the various reports given. Motion carried.

29. Business:

(A) Place and Preacher Committee reported Lacy Oliver to bring message next year with Tom Caulkins as alternate. The Schedule of Meeting places was presented for action at this time. The Committee presented the following reasons for the proposals.

1. Difficulty in past years of securing meeting places that would keep the meetings balanced as to sections of the Association.

2. To make uniformity as to times a church would be host. We tried to, as near as possible, ask churches who have not had the Association in several years to come first in the schedule.

3. To give all the churches the pleasure of being host to the Association and yet have plenty of time to make all arrangements.

4. To eliminate a financial burden on churches with smaller memberships by joining forces. Swapping should be possible.

5. Other associations have tried the plan and found it works well.

6. New churches will be developing in the future. Adjustments will likely need to be made to include them. You will notice that in our schedule some of our missions are included which we anticipate will be strong churches by the time their time arrives to be hosts.

7. The plan has been studied in the monthly Executive meetings and I understand has been well received.

(B) M. O. Sears suggested having a Rotating System in the Committees of the Association. A motion was made that Constitution and By-Laws Committee be instructed to take this matter and consider it. Motion was amended that this Committee investigate this and report to the Executive Committee within six months. Motion as amended was carried.

(C) A motion was made that the program be adjusted to permit the speaker Dr. E. L. Spivey to be recognized and permitted to speak at this time and that the new officers be recognized and a prayer of dedication given at the close of Session.

30. Gilmer Cross was called on to introduce Dr. E. L. Spivey.

31. Dr. Spivey spoke on making our witness real and more revelant. He stated that God is more pleased with the quality of our Christian witness than the quantity of our regilious meetings. He also commented about the scriptures being often misquoted concerning, "Where your treasure is, there will your heart be, also". (Matt. 6:21) He said "Without an investment, there will be no concern."

32. David Leary gave the report for the Resolutions Committee expressing appreciation to the host churches, Rivermont, Pineview and Calvary, and the Program Committee and officers of the Association for the work rendered.

33. The officers of the Neuse Association were called to come forward for a prayer of dedication. The Association joined hands and sang a stanza of "Blessed Be the Tie That Binds". The Moderator concluded with prayer bringing to a close this 34th Annual Session of the Neuse Baptist Association.

5. Some discussion came up as to the missions having representation on the Executive Committee and at the Annual Meeting. Mr. Catlett stated that the constitution does not recognize missions as churches. A motion was made and passed that this be referred to the Constitution and By-Laws Committee. Mr. Cross made a motion that Neuse, Mar Mac, Brookside, and Calvary of Kinston be recognized as part of our Executive Committee until the Constitution can be changed.

MISSIONS COMMITTEE REPORT

This has been an epoch making year for the Association and the Missions Committee in many respects.

In the beginning of the year your Missions Committee was assigned the responsibility of searching out, under the leadership of God, the successor of Mr. Starling as Superintendent of Missions. Working under the influence of prayer and the leadership of the Holy Spirit, the committee was led to recommend Mr. Eugene Hager as the successor to Mr. Starling. The Association extended the call and Mr. Hager accepted the work He came to us on March 1 of this year. We are delighted and well pleased with the way the work is moving forward under the leadership of our Superintendent of Missions and we give thanks to God for Mr. Hager.

Through the generosity of the churches of our Association, we have been able to purchase the much needed equipment and set up an Associational Office in the Borden Building in Goldsboro. We are grateful to the First Baptist Church of Goldsboro for the permanent office space that is being provided for the Associational rent free in the Educational Building.

Our Association owes a great debt of gratitude to the Missions Division of our Baptist State Convention for the aid that is given on the salaries of the pastors of five churches and missions and the salary of the Superintendent of Missions. This aid totals $5,352 for this year.

The committee has been working with the Pink Hill Mission which is under the leadership of Mr. M. L. Tyndall of Kinston.

We are grateful for the opportunity to serve as members of your Missions Committee, and I want to thank the members of the committee for their faithfulness in the work during this associational year.

Respectfully submitted,

Gilmer H. Cross, Chm.

SUPERINTENDENT OF MISSIONS' REPORT

A little over seven months ago, I began my work as Superintendent of Missions for Neuse Baptist Association. I wish to thank you for the cordial way in which my family and I have been received. I am delighted by the spirit of cooperation which I have found among associational leaders, pastors, and churches.

My first big task was getting the office set up —— particularly the file. The purpose of this file is to keep up-to-date information on the organizations, agencies, and programs of Baptists. It helps to make the office a resource center not only for me but for pastors and churches as well. Next, came the tasks of getting acquainted, of planning, and of coordination. These are well under way, though by no means completed.

The Missions Committee has been very helpful in securing office equipment which was badly needed and in helping me get established in the work. The Moderator and the pastors of the Association are also due a word of appreciation.

Here are a few statistics on the first seven months of my work:

Preached — 44 times. Taught study courses — 5 times. Conferences with pulpit committees or representatives — 6 or more times. Attended or participated in 37 meetings in Neuse Association. Attended or participated in 19 meetings outside the Association. Conferences: Individuals — 483 plus; Group — 47 or more; Committee — 26. Helped with the Youth Camp (both weeks). With the help of the Activities Committee, prepared a Calendar of Activities (for 1965 and 1966). Rendered some kind of service in 25 churches and missions in Neuse Association. Visited worship services in several others. Traveled about 8,550 miles in my work.

If I can be of service to you or your church, please call on me.

Respectfully submitted,

Eugene B. Hager

EVANGELISM REPORT

Churches in the North Carolina Baptist Convention reported 27,346 baptisms in 1963 and 29,725 baptisms in 1964 — a gain of 2,379 or 9%. Churches in the Neuse Association reported 352 baptisms in 1963 and 376 baptisms in 1964 — a gain of 24. This year the churches in our association reported 283 baptisms — a loss of 100 from 1964.

The theme adopted by the Southern Baptist Convention for the year 1966 is, "Proclamation and Witness." In our association this theme actually begins October 1, 1965 with the new association year.

The President of the Southern Baptist Convention, Dr. Wayne Dehoney, says "The major issue facing us is whether the Southern Baptist Convention as the largest Protestant denomination, is going to accept its role and launch the greatest evangelistic thrust in history." No informed child of God would argue with Dr. Dehoney about this being

the "major issue" before us. The purpose of our theme for the year ahead is to help get us aimed and moving toward this objective.

The evangelistic thrust needed now waits not on new methods but on new men. Men and women who have been made new in Christ Jesus and are totally committed and surrendered to Jesus Christ in mind, body, and soul. Materials and programs that are available to the churches from our denomination are listed below, but each church should decide on the objective and course it is convinced the Holy Spirit has appointed for it to pursue in its witness for Christ in the community and the world today. Materials and helps in the work of evangelism may be requested as needed from the Division of Evangelism, Baptist State Convention, Raleigh, N. C.

SUNDAY SCHOOL REPORT

The Great Commission of our Lord continues to be the marching orders of Christians in 1965. We are to "Go and teach—". The Sunday School is the primary agency of the church to accomplish this task. To succeed in this effort we must respond to God's will by being concerned for others and by being trained workmen. This is necessary on each level of Sunday School work.

Our Associational Sunday School program for 1964-65 had a good year despite an early handicap. Rev. James Womble, who was to have been the Associational Superintendent, moved from Neuse Association soon after the year began. Thus a vacancy was left until I assumed the responsibility in February.

On March 30 we held our first Sunday School meeting which was a Visitation Clinic held at Madison Avenue. Seventy-eight people attended this conference to share and to learn ways in which our Sunday School might have a more effective outreach.

Two Vacation Bible School Clinics were conducted on April 27. Approximately 90 people representing 19 churches were present for the morning session at Adamsville. That evening Rivermont was the place of meeting at which 32 workers from 9 churches attended.

Spilman Memorial was the site on June 29 of a workers' conference concerning "methods of teaching" for the various age group leaders. Thirty-two persons representing 9 church were present.

During this coming year each Sunday School is urged to give an increased emphasis to outreach, observe January Bible Study Week, plan a church and mission Vacation Bible School, promote Operation Home Study and other opportunities for training; to cooperate in the Adult Thrust movement, to participate in the Associational S. S. projects — clinics, conferences, etc.; and to attend the S. S. weeks at Caswell and Ridgecrest. When our Sunday Schools begin moving forward, our churches will move forward.

J. Roland DeWitt

ANNUAL TRAINING UNION REPORT TO THE NEUSE ASSOCIATION

These are exciting days for the ministry of Training Union. Many new ideas, new materials, and a new seriousness to our need for Christian training are being presented through our Training Unions!

This year in the Neuse Association two mass meetings were held. The "M" Night meeting was held December 5, 1964, at Kennedy Home Baptist Church. Dr. Edward A. McDowell, Jr., Professor Emeritus of Southeastern Seminary, brought a thought provoking message concerning the disasters that could result if the tremendous powers in man's control were misused and the importance of Christians witnessing today.

Youth Night was held March 20, 1965, at Kennedy Home in conjunction with Kennedy Home's Youth Week Program. Dr. Robert L. Holt, Vice President and Dean of East Carolina College, delivered the message.

At the request of Jimmy Morgan, state Training Union Director, the Region 2 Training Union Convention was held at Kennedy Home April 12, 1965. A meal was served by members of the Kennedy Home staff. The Neuse Association had a number of representatives at the convention but had no participants in the tournaments.

A report from the State Training Union Department indicates that 327 Church Study Course Book Awards were earned in 6 churches from October — March 1965. Those reporting were: Adamsville, First — Goldsboro, First — Snow Hill, Immanuel, New Hope, and Seven Springs.

In our Association there are 22 Training Unions. This leaves 11 of our churches without Training Unions.

May I urge each of you to study and stay up to date with current Training Union materials, especially **The Training Union Magazine.** This is essential in order to know what is going on in Training Union work.

Respectfully submitted,
David Omega Leary, Association
Training Union Director

W. M. U. REPORT

Highlights of Year's Activities:

Five Grace McBride YWA's attended the Medical Missions Conference in Richmond at the Foreign Mission Board. This group also prepared bandages for the Baptist Hospital in the West Indies.

The Neuse Association YWA's had their Valentine Banquet at Goldsboro with Mrs. Gordon Maddrey as guest speaker. Approximately 100 girls, counselors and directors attended. The girls took a day's outing to Southport the latter part of June. Twenty-nine girls took the trip.

The GA's of the Association numbering 285 rallied at Spilman Memorial Baptist Church to hear Miss Nancy Bells Cozzins, our State GA Director. The Basic Leadership Course was taught to 25 GA workers in March.

The Annual Spring Meeting of the WMU was held in March at LaGrange with 200 ladies present. Program featured a resolution taking a decided stand against pornographic literature. Our program featured three guest speakers: Rev. Eugene Hager, Supt. of Missions for the Neuse Association, Rev. J. Clyde Yates, Jr., Chairman of Evangelism for the Neuse Baptist Association, and Mr. Charles Wiggs, Administrator of the Bill Wallace Memorial Hospital in Puson, Korea.

Our long planned for and prayer for WMS at the Madison Avenue Baptist Mission has become a reality.

Our leadership conference held at LaGrange on Sept. 28 was quite well attended with over 200 ladies representing 22 churches. During our business session our by-laws were amended and we now have an operating budget of $300.00 for the year 1965-1966. We feel our conference was well attended for several reasons — first, plenty of notification was published and secondly, our conference leaders were well trained and presented interesting conferences. Our leaders got their help from our trip to the Associational Conference at Campbell College the end of August.

Our Spring Meeting of the Association is now scheduled for March 24, 1966, at Union with Mrs. Nancy Hern whose mission field is Jordon as our guest missionary speaker.

We are expecting Miss Virginia Miles whose mission field is Indonisia at the Lenoir Memorial Hospital on Thursday, Oct. 14. At the moment she will be accompanied by Miss Sarah Anne Hobbs and will hold vesper services at the hospital, have personal conferences with those girls who so desire and spend the night in the dormitory.

Growth Statistics:

Our various organizations, WMS, YWA, GA and SUNBEAMS have all expanded and grown during the past year.

The WMU of the Neuse Association reached all Aims for Advancement to qualify as an HONOR WMU ORGANIZATION.

Respectfully submitted,

Mrs. Sue A. Pitts
WMU President

RESOLUTIONS COMMITTEE

The Resolutions Committee recommends that messengers to the Neuse Association express their appreciation to the Rivermont, Pineview and Calvary Churches for the many ways in which they have extended their hospitality during this Annual Session of the Association and to the program committee and officers for the fine speakers they secured, by standing for the closing prayer.

Respectfully submitted,

David O. Leary, Chairman

BAPTIST HOSPITAL REPORT

More than 35,000 sick people were seen in the clinics of our Baptist Medical Center in Winston-Salem last year, and more than 19,000 were hospitalized for bed care. These sick people came from all sections of our state, out of all kinds of financial circumstances, and with almost every type of serious disease and sickness known to man. Most of them were sent by their local doctors, because they had problems which were difficult of diagnosis or treatment, and needed specialized facilities and skills such as those found at our Baptist Hospital.

In addition to the sick people who were served, there were more than 700 persons in training in the various fields of medical care and Christian service. These students were studying in ten different schools, and in other fields of training in our Medical Center, and will go out to serve as physicians, nurses, technicians, pastors and other Christian workers, in our communities and churches throughout North Carolina and on our mission fields around the world. These schools offer excellent opportunities, and they are interested in qualified Baptist young people who wish to invest their lives in useful service to their fellow man and in the Kingdom of God.

The ministry of our hospital to people who are seriously ill and in meager circumstances lies at the very heart of its total work. All of our Mother's Day offerings are used for this purpose: when the doctors have given their skilled services without charge to these patients, and the money available from all other sources is added, every dollar we give is multiplied nine times over in free service to those who need help.

It is a high privilege for us in our churches to minister in the name of the Great Physician, through our hospital, to these multitudes who are sick. It will be a welcome voice when the King shall come in His glory and we can hear Him say: "Come, ye blessed of my Father; for I was sick, and ye visited me."

Respectfully submitted,
Mrs. W. H. Jones

BAPTIST FOUNDATION REPORT

During the past four years the Foundation has been actively presented to the Baptists of North Carolina through the associations, churches, group meetings and through other media of communication. Our reception has been a most cordial and pleasant one. When the Baptists are properly and fully informed on any program, they can be depended upon to act wisely. Our main concern during these past four years has been to let our people know exactly what the Foundation is; how it functions; the various classes of people, churches, associations, conventions and agencies it represents as well as putting particular emphasis on Christian will making.

Memorial investments in the Foundation have gone from $60.11 to approximately $450.00. No sum is too small to merit our attention nor too large to be adequately handled. One of the strong characteristics of the Foundation lies in its fifteen member Board of Directors. These men are businessmen who give their business genius and ability to the

work of the Foundation without any remuneration whatsoever. They want to invest a part of their time and talent in this phase of Kingdom work.

It is my great pleasure to assure you that The North Carolina Baptist Foundation, Inc. is a going concern. Our people throughout the State are responding in a very fine manner to the services offered through the Foundation. This report would not be complete if I did not pay particular tribute to the excellent cooperation I have received from the pastors of the Convention. This program cannot succeed without their active participation and they have not hesitated to graciously give aid and comfort to the program. The years ahead look bright. Call on us if we can help you.

Respectfully submitted,
C. Gordon Maddrey

CHRISTIAN EDUCATION REPORT

Christian education historically has been one of the church's greatest expressions of concern for the total person. Today the Christian college is confronted with many perplexing problems as it seeks to lead persons to truth and the God who is the source of all truth and life. However this is a day when we need to reaffirm and commit ourselves anew to the task of reaching men's minds as well as their hearts.

Last year our colleges enrolled 14,395 students.Of these, 500 are volunteers for full-time Christian service. In addition to producing these trained Christian vocational workers, hundreds of graduates of the North Carolina Baptist colleges return to the local communities to become active leaders in church and civic affairs. Moreover, college faculties, administrators, and students render valuable services to our churches by filling pulpits, teaching study courses, and assisting in the development of stewardship, missions, and evangelism.

The Christian Education Day offers both an opportunity to learn about the colleges and a chance to increase financial support through the special offering. In 1966 the Christian Education Day theme will center around the contribution of Baptist colleges to denominational leadership. The North Carolina Baptist colleges will join hands with the General Board and other institutions and agencies of our Convention in promoting a new five-year program of advance, which will probably be presented by Dr. Perry Crouch at the November State Convention.

However, any "program of advance" is useless unless it is supported. Let's continue to support our Baptist Colleges through special offerings, the Cooperative Program, prayers, and in whatever other way God might lead us.

Respectfully submitted,

J. Roland DeWitt

CHILDREN'S HOMES REPORT

The care of dependent, neglected and homeless children is the central mission of the Baptist Children's Homes of North Carolina. In addition to providing care for children it is the purpose of the Homes to join hands with other Christian forces to strengthen wholesome, Christian family life throughout the state. Our people have supported this ministry in a most generous and commendable way.

Our Homes are serving as many people who need our help as possible. They are dependent upon North Carolina Baptists for support. Every gift, however small or large, is appreciated and is used for the purpose for which it is given. Income through the Cooperative Program is becoming increasingly important.

The Thanksgiving Offering of last year is approaching three hundred ten thousand dollars ($310,000) and is the largest ever given. This suggests that our people welcome an opportunity to support the "helping ministries" of the church which are close to the heart of our Lord.

Two estates have made possible two very fine buildings which have just been completed on the Mills Home campus. Income from the estate of Mr. and Mrs. Leland J. Sadler of Anderson, S. C., was used to build a library. An addition to the church was financed from the estate of Robert M. Idol and Lela Idol of Winston-Salem. These buildings will fill a most useful purpose in the educational and religious life of the Mills Home family.

There is a growing need for good Christian foster homes in which children needing this kind of care can live. Many families are finding much happiness and a great opportunity for service in caring for foster children. Thus, many boys and girls are privileged to grow up in Christian home who otherwise would not have this opportunity. Should you have an "extra measure of love" to share in this way the Homes would like to know of your interest.

The need for a home in the western part of the state, more adequately to serve the people west of the Blue Ridge Mountains, has been discussed in various meetings and conferences. The possibility of such a home is meeting with genuine interest and enthusiasm. Attention is currently being given to a suitable location.

Members of the Board of Trustees and members of the staff of the Children's Homes are committeed to the task of maintaining a Christian program of child care—a program that will merit the undivided support and loyalty of our people and that will bring honor to our Lord. To that end it is our purpose to meet, as effectively as possible, the challenges of our day.

Respectfully submitted,
Baptist Children's Homes

Neuse Baptist Association
Mr. George B. DuPree-Treasurer
Kinston, North Carolina

We have examined the financial records of the Neuse Baptist Association for the period from November 1, 1964 to September 25, 1965 and have prepared the accompanying statement of cash receipts and disbursements. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances, except that no verification was made beyond these records.

In our opinion, with the exception stated in the preceding paragraph, the accompanying statement of cash receipts and disbursements represents fairly the cash position for the period then ended.
